

Love Muslims 7th-9th of October 2022

The network Mahabba Denmark invites all young Christians to an inspiring weekend in Odense to be infected by the heart of God for Muslims. Many Muslims in Denmark come from countries where the opportunity to meet a Christian is limited. In Denmark there are approx. 250,000 Muslims, and many of them do not have a Christian friend. We want to change that.

How can we make good, strong, and equal friendships with Muslims? Can God give us love for people we may not naturally love? What can we do to show Muslims who Jesus is? These are questions that we are going to work on this weekend. There will be good teaching, worship, prayer, meetings with people in Vollsmose, exchange of experiences, and fellowship with each other. Gordon Hickson from England is our main speaker. Other speakers and information will be translated into English.
